NAME SEARCH The DCGS offers Name Searches of the pre-1880 time period. For a specific question based on 1 surname, we will search indexed materials in our library for up to 2 hours. The cost of this service is \$10 for DCGS members, and \$20 for non-members (includes up to 10 photocopies at no additional charge). Please enclose a self-addressed, stamped, business-size envelope with your specific request and money. Because of large demand and a limited number of volunteers to work on the Name Searches, we can only answer pre-paid requests for this service.

On a separate sheet of paper, include your name, postal address, e-mail address, and Member #. List the surname you want searched and one specific question; include additional information (a family group sheet or vital record information, etc) as necessary to identify the individual. You may list sources you do not want us to spend time searching if you have already checked them yourself. We will research the question, *in our library only*, for up to 2 hours.
